

## **Business Plan 2010/11**

For the current financial year we have worked out a Business Plan based on the prospect of raising £500,000 for the Temple Fund.

This level of funding will allow us

- **to lease an existing building & convert to a Mandir or**
- **use it as a deposit (all or part of it ) for a mortgage on an existing building and hope to raise further funds to do a proper conversion.**

The Trustees , who are also members of the Executive Committee, have been looking at various premises that have come their attention – empty office buildings in Business Parks around Oxford and underused Churches. This effort will continue while the [Pledge Campaign](#) is in progress. When a suitable site has been found the OHTCCP members will be informed and every effort made to secure the site.
